Dear Dean Maitre:

Using the Freedom of Information Act, I have sought and received copies of the Grant Agreements involved in the Afghan Media Project. I note that under the Grant Agreement between the United States and Boston University you are listed as Project Director and are listed as devoting 50% of your time to this project. Could you please tell me how much you are receiving for this endeavor and whether you have taken an offsetting cut in your pay as Dean ad Interim at Boston University?

Thank you for your response.

Sincerely,

Michael Gartner
